

SUCCESS CRITERIA

A "HOW TO" FOR TEACHERS

ASSESS...

- ... what your students will need to know.
- ... to see what your students already know.

CREATE...

- ... a roadmap with mile-markers (mile-markers are your success criteria).
- ... using statements, exemplars, rubrics.
- ... with final assessment in mind.

ASSESS...

- ... progress toward mile-markers.
- ... formally and informally.
- ... to inform students, and teacher.

EMPOWER...

- ... self-monitoring & self-grading.
- ... collaborative culture & peer-feedback.
- ... strategy & support selection.

ASSESS...

- ... summatively.
- ... with confidence.
- ... because students have had ample practice.
